BUG REMOVER

Product Description:

Ready to use, biodegradable, citrus based pre-wash solution used to soften, emulsify and remove bugs, bug residue or soft tree sap from vehicle finishes. Works great on front fascias, grilles, hoods, windows and mirrors so bugs and residue can be easily rinsed away. Contains a fresh citrus fragrance. VOC COMPLIANT.

Product Details:

Ready To Use
Non-Flammable
Biodegradable
VOC Compliant
Water Base
Body Shop Safe
pH: 12.0
Color: Light Yellow
Fragrance: Orange

Packaging:

Gallon: C-71
5 Gallon Cube: C-71-5
55 Gallon Drum: C-71-55

Features & Benefits:

Quickly Emulsifies & Removes Insect Residue
For Use on Front Grilles, Bumpers, Fascias, Hoods and Mirrors
Contains Powerful Citrus Cleaning Agents
Rinses Clean - Leaves No Residue

Application: *Shake well before using. Read label before use. See SDS for more information.*

Cool hot surfaces with cold water rinse before applying product. Apply using a pistol sprayer or tank sprayer. Spray on surface and let sit for 30-60 seconds to penetrate bug juice. Light agitation with brush or sponge may be necessary to remove stubborn bug spots. Rinse clean with high pressure water. Wash vehicle in usual manner using PRO® C-60 Super Car Wash. Follow with PRO® S-10-P Bug Guard™ to protect against paint damaging insect residue and road contaminants.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply to hot surface or let dry on surface. Do not use on freshly painted surfaces. Spray on using a drenching effect rather than a fine spray.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
