

TECH DATA SHEET

LEATHER PROTECTANT (1006)

Cleans and Protects Leather and Vinyl Surfaces

Features and Benefits:

- Cleans while forming a protective barrier (cross-linked)
 - Helps prevent oil and water-based stains (including ball-point pen ink, ketchup, wine, etc.)
 - Allows for easy cleaning of markings that are able to form on surface (Sharpie)
- Restores a satin gloss to the surface
- Contains UV inhibitor
- Cream color
- Leather scent
- Sizes and Pricing
 - 32 oz. (Part number: 100632)
 - 1 gallon (Part number: 100601)

Usage:

- Check colorfastness by applying to an inconspicuous area before general use
 - If color changes, discontinue use immediately
 - Malco will not be liable for damage caused by misuse of this product
- Wipe on surface with a microfiber cloth or wax applicator pad
- Remove any excess product and allow to dry completely
- Allow 24 hours for protection to be effective
- When not in use, keep bottle sealed to maintain integrity of product
